

Lyra is a leading provider of the EAP (Employee Assistance Program). Our support center in Wallisellen, Switzerland, provides round-the-clock support in four languages for 6 countries: Switzerland, France, Germany, Luxembourg, Italy and Austria. In addition to psychological counseling and management support, legal advice by telephone and social counseling play an important role. Other services such as executive coaching, workshops, seminars and crisis interventions complete our service portfolio.

In cases where this is appropriate and requested, Lyra offers personal psychological assessment, crisis intervention and short-term face-to-face counseling at or near the customer's location within just a few days.

As part of our growth across Europe, we are continuously looking for freelance

Psychological Psychotherapists or Psychologists for occasional short-term counseling and coaching in their practices

to expand our network of counselors in Switzerland, Germany, Austria, France, Luxembourg, and Italy.

If you are interested, please send us your application, including:

- **Resume with photo**
- **Master** in Psychology
- **Experience** in short-term counseling
- Proof of existence of **professional liability insurance** (coverage of € 1.5 million)
- Proof of regular **supervisions**
- **References/testimonials**
